

TOMORROW TODAY

ISMRM 2020 Gold Sponsor Lunch Symposium:

Elevating Radiology with SIGNA™ MR

Tuesday, August 11

9 am PST / 11 am CST / 12 pm EST

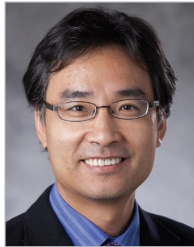

You're invited! Join us for this live broadcast online, celebrating the revolution of SIGNA™ MR. Hear from your peers about clinical and technical advancements in the field and participate in live Q&A. Topics will include:

- *High Resolution Diffusion MRI on the SIGNA™ UHP 3.0T Platform**
- *The Landlocked Scanner: Experiences with a Field Update of a High-Performance 3.0T Scanner*
- *Advancing Frontiers in Neuromuscular Imaging with SIGNA™ Premier and the AIR™ Family of Technologies*

We look forward to having you with us for this virtual event!

Jason Polzin, PhD
GE Healthcare

Allen Song, PhD
Duke University

**Srinu Mukundan,
MD, PhD**
Brigham and
Women's Hospital

Darryl B. Sneag, MD
Hospital for Special
Surgery

Join us online Tuesday, August 11 at 11 am CST

Visit our virtual booth August 10-13 to learn more.
