

The BCISMRM funded the first Annual Meeting of the UK Renal Imaging Network (UKRIN) which was held on 3rd February 2016. The meeting covered MR Physics based topics including Renal MRI methods and multi-parametric measures, and the reproducibility and standardisation of renal MRI, as well as clinical applications of renal MRI in Chronic Kidney Disease, Acute Kidney Injury and Diabetes. This meetings formed a forum to discuss future grant applications, with a MRC Partnership grant awarded to UKRIN in March 2018.

Renal MRI Meeting

Potential Multi-Centre Renal Research Study

03-04 February 2016

UCL Institute of Child Health - Wolfson Centre
Mecklenburgh Square, London WC1N 2AP

Agenda

Day 1 – Room A (Ground Floor)

13:30	Tea/Coffee	
13:45	Introduction	Isky Gordon, Fabio Nery
14:00	MRI Methods topics and multi-parametric measures	Sue Francis
14:20	Overview of literature on reproducibility and standardisation of renal MRI	Steven Sourbron
14:40	Discussion	
15:30	Tea/Coffee	
16:00	Discussion and practical steps	
18:00	Adjournment	

Day 2 – Room C (Ground Floor)

08:30	Tea/Coffee	
09:00	Acute kidney injury	Nick Selby
09:15	Chronic kidney disease	Phil Kalra
09:30	Diabetes	Steven Sourbron & Maarten Taal
10:00	Discussion	
10:30	Tea/Coffee	
11:00	Discussion	
13:00	Close of meeting	

Directions to UCL Institute of Child Health

If you arrive by train:

King's Cross Station or St Pancras Station

When leaving the station, cross Euston Road and turn left. Continue walking for a few minutes, and, turning slightly to your right, enter Gray's Inn Road. After approximately 5-10 minutes, turn right into Guilford Street. Continue walking until you see the Institute on your left hand side.

Euston Station

Take the Eversholt Street exit. Turn right along Eversholt Street, and cross over the Euston Road. Cross straight over into Woburn Place, and after approximately 5-10 minutes, turn left into Guilford Street. Continue walking until you see the Institute on your right hand side.

If you arrive by underground:

For King's Cross (Victoria, Piccadilly, Circle, Northern, Metropolitan, and Hammersmith and City lines), please follow the instructions above.

Russell Square Station (Piccadilly line, the nearest tube)

When leaving the station, turn right into Bernard Street. Continue straight ahead, and cross over Hunter Street/Grenville Street. This will lead you into Lansdowne Terrace, which bears to the right and leads directly into Guilford Street. Turn left and continue walking until you see the Institute on your right hand side.

If you arrive by bus:

The number 188, 168, 68, 59 and 91 bus services all stop at bus stop B on Southampton Row (www.tfl.gov.uk/tfl/gettingaround/maps/buses). Cross over the street, and a little to the right you will see Guilford Street. Walk along Guilford Street until you see the Institute on your right hand side.

Directions: UCL Institute of Child Health → Wolfson Centre

Mecklenburgh Square, London WC1N 2AP

Important note: Access to the Wolfson centre is via UCL card only. If you need assistance getting into building please contact **07448 899 908**.
